SECTION 9: WHY JUDGE NEEDS TO SEE THIS

Specific Accountability

- Not vague complaints about “government”

Pattern of Coordinated Failure

- Multiple officials across multiple parties

SECTION 10: RECOMMENDATION FOR JUDGE

This Judge Should:

1. **Name the officials** in the judgment
2. **Document their failures** specifically
3. **Hold them accountable** for abuse of power
4. **Award damages** reflecting coordinated failure
5. **Order investigation** into Haytayan's cease-and-desist threat

This Judge Should NOT:

- x Accept vague explanations
 - x Treat this as isolated incidents
 - x Minimize Haytayan's threat
 - x Ignore 9+ years of failure (Iacono)
 - x Award minimal damages
-

SECTION 11: CEASE-AND-DESIST LETTER ANALYSIS

Why Unsigned Letter is Significant

Unsigned means:

- x No specific person responsible
- x No accountability
- x Office can deny it was official
- x Designed to intimidate without accountability
- x Cowardly approach to constituent

This shows:

- x Office knew threat was illegal

- x Office tried to avoid accountability
- x Office used intimidation as tool
- x Office abused power

What Signed Letter Would Have Meant

If letter had been signed:

- ✓ Specific person accountable
- ✓ Could be prosecuted for harassment
- ✓ Could be sued for damages
- ✓ Could lose job

By leaving it unsigned, office avoided accountability while still intimidating constituent.

CONCLUSION

NAMED OFFICIALS failed this family:

1. **Sal Polo** - Former MNA - Failed
2. **Céline Haytayan** - Current MNA - Threatened with arrest (unsigned letter)
3. **Valérie Schmaltz** - MNA Vimont - Failed
