RE: CEASE AND DESIST — Obstruction of Justice, Abuse of Authority, Denial of Due Process, and Demand for Full Inquiry of All Family Files

LEGAL NOTICE

Ms. Roch,

This letter constitutes formal notice that you must **IMMEDIATELY CEASE** all obstructive practices against my family and **CONDUCT A FULL, INDEPENDENT INQUIRY** into all files related to my family's complaints and cases spanning the past 14+ years.

Your actions constitute:

- **Abuse of government authority**
- **Obstruction of justice**
- **Denial of due process**
- **Complicity in systemic abuse**
- **Discrimination against an Indigenous family**

I. DOCUMENTED VIOLATIONS BY AUDREY ANN ROCH

1. Blocking Access to Supervisors (Abuse of Power)

You have **systematically blocked** my access to your supervisors and decision-makers, preventing legitimate escalation of complaints. This is a clear abuse of government authority.

- You refuse to provide supervisor contact information
- You refuse to transfer calls or emails to management
- You force all communication through you personally
- This creates a bottleneck that prevents legitimate oversight

Legal Violation: This violates the Quebec Charter of Rights and Freedoms (Article 4 - Right to life and personal security) and the principle of administrative justice requiring access to supervisory review.

2. Fourteen Years of Uninvestigated Complaints

Since approximately 2012, my family has filed **multiple formal complaints** to DPRC regarding:

- **IVAC underpayment** (I was paid only 13% of my 35% disability rating)
- **Welfare harassment and illegal clawbacks** (\$125/month forced from handicapped family member)
- **Demands for minors' bank account information** (ages 5-18) — privacy violation
- **Denial of medical services** (I have 35% disability; denied medication, eye care, dental care)
- **DPJ/DYP withdrawal without adequate follow-up** (after teen stabbed 3x)
- **Obstruction on Basic Income eligibility** (welfare lawyer said "May 2026," now claiming "don't know")
- **Retaliation for legal action**
- **Systemic discrimination against multigenerational Indigenous family**

Your response: SILENCE. NO INVESTIGATION. NO ACTION.

Legal Violation: This violates the Quebec Charter (Articles 1, 10, 39) and the UN Convention on the Rights of the Child (Article 3 - best interests of the child).

3. Obstruction of the Complaint Process

You have **deliberately obstructed** the legitimate complaint process by:

- **Forcing online platform submission** instead of accepting email complaints
- **Refusing to acknowledge receipt** of formal complaints
- **Providing no timeline** for investigation
- **Refusing to provide case numbers** or tracking information
- **Ignoring follow-up requests** for status updates
- **Using your position** to prevent legitimate oversight

This is **deliberate obstruction** designed to discourage complainants from pursuing justice.

Legal Violation: This violates the Administrative Justice Act (Loi sur la justice administrative) and the principle of natural justice.

4. Complicity in Enabling Systemic Abuse

By refusing to investigate complaints against Solidarity Social and other government agencies, you have become **complicit in ongoing abuse** of my Indigenous family:

- Solidarity Social has **illegally clawed back** \$125/month from a handicapped person
- Solidarity Social has **demanding bank account information** from minors (ages 5-18)
- Solidarity Social has **obstructed Basic Income eligibility** for years
- Solidarity Social has **denied medical services** to a person with 35% disability
- Solidarity Social has **retaliated** against my family for legal action

Your refusal to investigate these violations means you are **enabling the abuse to continue**.

Legal Violation: This violates the Quebec Charter (Article 49 - right to protection from exploitation) and the principle of administrative accountability.

5. Misuse of Government Authority to Obstruct Justice

You are using your government email address (audrey-ann.roch@servicesquebec.gouv.qc.ca) and official position to:

- Block legitimate complaints
- Prevent supervisory review
- Obstruct access to justice
- Enable other government agencies to abuse citizens

This is a **criminal abuse of government authority** under the Criminal Code.

II. DEMAND FOR IMMEDIATE ACTION

You must IMMEDIATELY:

1. **CEASE all obstructive practices** against my family
2. **ASSIGN A DIFFERENT WORKER** who can handle the truth and investigate fairly
3. **CONDUCT A FULL, INDEPENDENT INQUIRY** of ALL files related to my family, including:
 - All IVAC underpayment complaints
 - All welfare harassment and illegal clawback complaints
 - All complaints regarding demands for minors' bank account information
 - All complaints regarding denial of medical services
 - All complaints regarding DPJ/DYP failures
 - All complaints regarding Basic Income obstruction
 - All complaints regarding retaliation for legal action
 - All complaints regarding systemic discrimination

4. **PROVIDE WRITTEN FINDINGS** within 30 days of completion of inquiry
5. **PROVIDE CASE NUMBERS** and tracking information for all complaints
6. **PROVIDE TIMELINE** for investigation and resolution
7. **PROVIDE CONTACT INFORMATION** for supervisory review

Consequences of Non-Compliance:

If you fail to comply with this demand within **14 days**, my family will:

- File formal complaints with the Protecteur du citoyen (Ombudsman)
 - File formal complaints with the Commission des droits de la personne et des droits de la jeunesse (CDPDJ)

-

IV. CONTEXT: SYSTEMIC ABUSE OF INDIGENOUS FAMILY

My family is a **multigenerational Indigenous family** that has experienced:

- **14+ years of uninvestigated complaints** to government agencies
- **Systemic discrimination** from IVAC, welfare, DPJ, and other agencies
- **Illegal financial practices** (clawbacks, underpayment)
- **Privacy violations** (demands for minors' bank accounts)
- **Denial of essential services** (medical, dental, eye care)
- **Retaliation** for seeking justice

This pattern of abuse is **not accidental**. It is **systemic discrimination** against an Indigenous family seeking accountability from government agencies.

Your refusal to investigate these complaints is part of this systemic discrimination.

V. NOTICE OF LEGAL ACTION

This letter is a **formal legal notice**. Your response (or lack thereof) will be used as evidence in:

1. **TAQ (Tribunal administratif du Québec) proceedings** — April/June 2026
 2. **Civil litigation** for damages
 3. **Criminal complaints** to police
 4. **Human rights complaints** to CDPDJ and federal authorities

CONCLUSION

Ms. Roch, your actions have caused immense harm to my family. You have used your government position to **block justice, enable abuse, and discriminate against an Indigenous family**.

This ends now.

You have **14 days** to:

1. Cease all obstructive practices
2. Assign a different worker
3. Conduct a full inquiry of all files
4. Provide written findings

Failure to comply will result in formal legal action.
