 3. **CONDUCT A FULL, INDEPENDENT INQUIRY** of ALL files
 4. **PROVIDE WRITTEN FINDINGS** within 30 days
 5. **PROVIDE COMPENSATION** of \$75,000,000 plus compound interest
 6. **FUND MEDICAL RETREAT IN OKA** for family healing

I. YOUR ROLE IN FEDERAL WHISTLEBLOWER OBSTRUCTION

You Are Named in Federal Whistleblower Report

In my March 2, 2026 federal whistleblower report to the Protecteur du citoyen, Chief Justice Richard Wagner, and the Governor General's office, you are specifically named for:

- **Blocking access to supervisors** (abuse of authority)
- **Refusing to investigate 14 years of complaints** (obstruction of justice)
- **Obstructing the complaint process** (forcing online platform instead of email)
- **Complicity in enabling welfare abuse** (Solidarity Social illegal practices)
- **Using government authority to obstruct justice** (audrey-ann.roch@servicesquebec.gouv.qc.ca)

Federal Whistleblower Protection Violations

By obstructing my complaints, you are violating:

- Act to facilitate the disclosure of wrongdoings relating to public bodies
 - Criminal Code Section 122 (breach of trust by public officer)
 - Criminal Code Section 139 (obstruction of justice)
 - Quebec Charter of Rights and Freedoms
-

II. DOCUMENTED VIOLATIONS BY AUDREY ANN ROCH

1. Blocking Access to Supervisors (Abuse of Power)

You have **systematically blocked** my access to your supervisors and decision-makers. This is a clear abuse of government authority.

Evidence:

- You refuse to provide supervisor contact information
- You refuse to transfer calls or emails to management
- You force all communication through you personally
- You create a bottleneck that prevents legitimate oversight

Legal Violation:

- Quebec Charter Article 4 (right to safeguard of dignity)
- Administrative Justice Act (right to supervisory review)
- Criminal Code Section 122 (breach of trust by public officer)

2. Fourteen Years of Uninvestigated Complaints

Since approximately 2012, my family has filed **multiple formal complaints** regarding:

- **IVAC underpayment** (paid 13% instead of 35%)
- **Welfare harassment and illegal clawbacks** (\$125/month from handicapped person)
- **Demands for minors' bank account information** (ages 5-18)
- **Denial of medical services** (medication, eye care, dental care)
- **DPJ/DYP withdrawal without follow-up** (after child stabbed 3x)
- **Obstruction on Basic Income eligibility**
- **Retaliation for legal action**
- **Systemic discrimination against Indigenous family**

Your response: SILENCE. NO INVESTIGATION. NO ACTION.

Legal Violation:

- Quebec Charter Articles 1, 10, 39
- UN Convention on the Rights of the Child
- Administrative Justice Act

3. Obstruction of the Complaint Process

You have **deliberately obstructed** the legitimate complaint process by:

- **Forcing online platform submission** instead of accepting email
- **Refusing to acknowledge receipt** of formal complaints
- **Providing no timeline** for investigation
- **Refusing to provide case numbers** or tracking information
- **Ignoring follow-up requests** for status updates
- **Using your position** to prevent legitimate oversight

This is **deliberate obstruction** designed to discourage complainants from pursuing justice.

Legal Violation:

- Administrative Justice Act (Loi sur la justice administrative)
- Principle of natural justice
- Criminal Code Section 139 (obstruction of justice)

4. Complicity in Enabling Welfare Abuse

By refusing to investigate complaints against Solidarity Social, you have become **complicit in ongoing abuse**:

- Solidarity Social has **illegally clawed back** \$125/month from handicapped person
- Solidarity Social has **demanding bank account information** from minors (ages 5-18)
- Solidarity Social has **obstructed Basic Income eligibility** for years

- Solidarity Social has **denied medical services** to person with 35% disability
- Solidarity Social has **retaliated** against family for legal action

Your refusal to investigate means you are **enabling the abuse to continue**.

Legal Violation:

- Quebec Charter Article 49 (protection from exploitation)
- Principle of administrative accountability
- Criminal Code Section 122 (breach of trust)

5. Misuse of Government Authority

You are using your government email address (audrey-ann.roch@servicesquebec.gouv.qc.ca) and official position to:

- Block legitimate complaints
