

QUEBEC ELECTED OFFICIALS & POLICE FAILURE DOCUMENTATION

Complete Systemic Failure - Government, Politics, and Law Enforcement

Prepared for Court Filing Date: April 5, 2026 **Status:** Complete documentation of coordinated systemic failure

EXECUTIVE SUMMARY FOR JUDGE

This document demonstrates that the systemic failure includes THREE levels of failure:

1. **Quebec Government Agencies** (DPJ, IVAC, Solidarité Sociale, CDPDJ, Protecteur du citoyen)
2. **Quebec Elected Officials** (Attachés politiques - almost all dismissive, except 1 compassionate)
3. **Police Services** (Laval Police, RCMP - wrongful handling, complicity in harassment)

KEY FINDING: Police are complicit in federal harassment. Laval Police conducted wellness checks on behalf of RCMP and Governor General, showing coordinated failure across government, politics, and law enforcement.

IMPORTANT NOTE FOR JUDGE: Police failures are part of a SEPARATE ongoing lawsuit, but are documented here to show the complete systemic failure and coordinated nature of the harassment.

SECTION 1: QUEBEC ELECTED OFFICIALS - SYSTEMIC INDIFFERENCE

Attachés Politiques (Political Attachments) Contacted

Pattern: Almost All Dismissive

Total Attachés Politiques Contacted: 50+ **Response: “Good Luck”:** 49 (98%)
Response: Compassionate/Helpful: 1 (2%)

The Dismissive Response: “Good Luck”

What “Good Luck” Means

When a political attaché says “Good Luck” in response to a request for help with systemic child welfare failure, it means:

- x “We acknowledge your problem”
- x “But we won’t help”
- x “You’re on your own”
- x “Don’t expect government support”
- x “This is not our responsibility”

Why This Violates Political Duty

Political Attachés have a duty to:

- Listen to constituents
- Transmit concerns to elected officials
- Facilitate government assistance
- Advocate for vulnerable families

By saying “Good Luck,” they:

- x Abdicated their duty
- x Refused to transmit concerns

- x Refused to advocate
- x Dismissed systemic child welfare crisis

Laws Violated

1. Quebec Charter of Human Rights and Freedoms, Article 23:

- Right to assistance from public authorities
- Attachés are public authorities
- Duty to provide assistance

2. Public Service Code of Conduct:

- Public servants must serve the public
- Duty to treat citizens with respect
- Duty to facilitate access to government services

3. Duty of Crown:

- Crown must act in good faith toward citizens
- Crown cannot dismiss citizen concerns
- Crown must provide assistance to vulnerable families

The One Compassionate Response

Attaché Politique - Compassionate Response

Status: ONE compassionate attaché **Response:** “I will transmit this to Madame Prust”

Madame Prust: MNA in Montreal area **Action Taken:** Agreed to transmit concerns to elected official

Why This One Response Matters

This one compassionate response demonstrates:

- ✓ It IS possible to respond with compassion
- ✓ It IS possible to transmit concerns
- ✓ It IS possible to advocate

- ✓ The other 49 attachés CHOSE not to help

Contrast with Other Responses

Attaché	Response	Action
Attaché 1	“Good Luck”	Dismissed
Attaché 2	“Good Luck”	Dismissed
...	“Good Luck”	Dismissed
Attaché 49	“Good Luck”	Dismissed
Attaché 50	“I will transmit to Madame Prust”	HELPED

Result: 98% dismissal rate shows systemic indifference at political level

Why Judge Needs to See This

Political indifference demonstrates:

- x Systemic failure at political level
- x Elected officials aware of crisis but did nothing
- x Political system failed to protect vulnerable family
- x “Good Luck” is not government assistance
- x One compassionate response proves others could have helped

Result: 4+ years of systemic police failure

RCMP Involvement - Wellness Checks

RCMP Requested Wellness Checks

Requestor: Governor General's office **Executor:** Laval Police **Purpose:** Intimidation of family **Result:** 4 checks in 35 days

Laval Police Complicity

What Laval Police Did:

- Accepted request from RCMP/GG
- Conducted wellness checks
- Participated in harassment
- Became tool of federal intimidation

What Laval Police Should Have Done:

- Questioned legitimacy of request
- Refused to participate in harassment
- Protected citizen's rights
- Reported federal overreach

Laws Violated

1. Criminal Code, Section 264: Harassment

- Repeated contact (4 checks)
- Designed to intimidate
- Reasonable person would feel harassed

2. Criminal Code, Section 423: Intimidation

- Threatening conduct
- Designed to prevent lawful conduct
- Designed to prevent petition to government

3. Police Code of Conduct:

- Prohibition on harassment
- Prohibition on abuse of authority
- Duty to protect citizens' rights

4. Charter, Section 7: Right to security of person

- Wellness checks created climate of fear
- Police participated in intimidation

Police Failure to Investigate Crimes

Why Police Failures Are Separate Lawsuit

Reason 1: Criminal Nature

- Police failures involve potential criminal conduct
- Requires criminal investigation
- May result in criminal charges

Reason 2: Ongoing Nature

- Police failures are ONGOING (not completed)
- Wellness checks continue
- Investigation ongoing
- Separate lawsuit still active

Reason 3: Different Legal Basis

- Police failures: Criminal Code violations
- Government failures: Civil law violations
- Different courts and remedies

Reason 4: Strategic

- Focus Quebec lawsuit on government agencies
- Pursue police separately
- Prevent government from claiming police responsibility
- Establish clear accountability

Police Failures Will Be Prosecuted

Once legal funding obtained:

1. Criminal charges against RCMP officers
2. Criminal charges against Laval Police officers
3. Criminal investigation into wellness checks
4. Criminal investigation into harassment

SECTION 3: COMPLETE SYSTEMIC FAILURE ACROSS ALL THREE LEVELS

Level 1: Quebec Government Agencies

Agency	Failure	Status
DPJ	Inadequate services, withdrawal	Ongoing
IVAC	87% underpayment	Ongoing
Solidarité Sociale	Harassment, illegal clawbacks	Ongoing
CDPDJ	Refused investigation	Completed
Protecteur du citoyen	Limited response	Completed

Level 2: Quebec Elected Officials

Type	Response	Status
Attachés Politiques	98% “Good Luck” dismissal	Completed
Compassionate Response	1 attaché (2%) transmitted to MNA	Partial help
MNA Response	Madame Prust (Montreal area)	Pending
Provincial Ministers	Ghosted	Completed

Level 3: Police Services

Agency	Failure	Status
Laval Police	Wrongful handling since 2022	Ongoing
Laval Police	Complicity in federal harassment	Ongoing
RCMP	Harassment via wellness checks	Ongoing
Police Investigation	Failed to investigate crimes	Ongoing

Coordinated Nature of Failure

Evidence of Coordination:

1. Simultaneous Failure:

- Government agencies failed
- Elected officials dismissed
- Police participated in harassment
- All at same time

2. Consistent Pattern:

- All agencies: Silence or dismissal
- All agencies: No investigation
- All agencies: No assistance
- All agencies: Coordinated response

3. Escalating Harassment:

- Government agencies: Inadequate services
- Elected officials: Dismissal
- Police: Active harassment via wellness checks

4. No Safe Recourse:

- Government failed

- Politics failed
 - Police failed
 - No institution provided help
-

SECTION 4: LAWS VIOLATED ACROSS ALL THREE LEVELS

Quebec Government Agencies

- Victims of Crime Act violations
- Quebec Charter violations (Articles 1, 5, 23, 37, 39)
- Social Assistance Act violations
- Privacy Law violations
- Administrative law violations

Quebec Elected Officials

- Public Service Code of Conduct violations
- Duty of Crown violations
- Duty to constituents violations

Police Services

- Criminal Code, Section 264 (harassment)
 - Criminal Code, Section 423 (intimidation)
 - Police Code of Conduct violations
 - Charter, Section 7 (right to security)
 - Duty to investigate crimes violations
-

SECTION 5: WHY JUDGE NEEDS TO SEE THIS

Complete Picture of Systemic Failure

This judge needs to understand that:

- x Not just government agencies failed
- x Not just elected officials indifferent
- x Police ACTIVELY PARTICIPATED in harassment
- x All three levels coordinated failure
- x Family has NO SAFE RECOURSE

Pattern of Coordinated Abandonment and Harassment

The pattern shows:

1. **Government agencies:** Inadequate services
2. **Elected officials:** Dismissal (98% “Good Luck”)
3. **Police:** Active harassment on behalf of federal government

Police Complicity in Federal Harassment

Most damaging: Police became tool of federal harassment

- Laval Police conducted wellness checks for RCMP/GG
- Police participated in intimidation
- Police failed to investigate crimes
- Police failed to protect citizen’s rights

Justifies Emergency Measures and Large Damages

Because failure is coordinated across government, politics, and police:

- Emergency measures are NECESSARY
- Large damages are JUSTIFIED

- Systemic reforms are REQUIRED
 - Accountability is ESSENTIAL
-

SECTION 6: RECOMMENDATION FOR JUDGE

This Judge Should:

1. **Recognize police complicity** in federal harassment
2. **Note that police failures** are part of separate ongoing lawsuit
3. **Award emergency protective measures** to protect from police harassment
4. **Award large damages** reflecting coordinated failure across all levels
5. **Order investigation** into police conduct

This Judge Should NOT:

- x Treat police failures as separate from government failures
 - x Award minimal emergency measures
 - x Accept government explanations
 - x Fail to recognize police complicity
 - x Dismiss ongoing harassment
-

SECTION 7: SEPARATE POLICE LAWSUIT STATUS

Current Status

Lawsuit: ONGOING **Defendants:** Laval Police, RCMP **Basis:** Criminal conduct, harassment, intimidation **Evidence:** 7 cameras recording wellness checks

Will Proceed Separately

Reason: Criminal nature requires separate criminal investigation **Timeline:** After legal funding obtained **Charges:** Criminal charges against police officers **Remedies:** Criminal prosecution, civil damages

CONCLUSION

The systemic failure extends across THREE levels:

1. **Quebec Government Agencies:** Failed to provide services, underpaid compensation, harassed family
2. **Quebec Elected Officials:** 98% dismissal rate (“Good Luck”), only 1 compassionate response
3. **Police Services:** Wrongful handling since 2022, complicity in federal harassment, failure to investigate crimes

Police are not neutral observers—they are ACTIVE PARTICIPANTS in the harassment.

This coordinated failure across government, politics, and police demonstrates:

- Complete systemic abandonment
- No safe recourse for family
- Emergency measures NECESSARY
- Large damages JUSTIFIED
- Systemic reforms REQUIRED

This judge’s decision will determine whether systemic accountability begins now or whether coordinated government/police harassment continues.

Status: COMPLETE DOCUMENTATION FOR COURT FILING **Date:** April 5, 2026 **Prepared by:** Self-represented victim and family **All family members as co-plaintiffs**

This documentation demonstrates that the systemic failure includes not just government agencies, but also elected officials and police services. Police are

complicit in federal harassment. Emergency measures are necessary because the family has been abandoned by all institutions and faces ongoing harassment from law enforcement.
